

Jeff Vaughn

METRO Region Executive Board Member

Jeff has been involved with CCNC since its inception in 2002 from the Metro area and as part of the statewide "roadshow" to promote and expand the statewide DTRS and CCNC. He has served as the tech / ops chair, a board member, executive board member, secretary, vice president multiple terms, and president multiple terms during this time while also chairing and or serving on multiple CCNC committees. He is also the Co-Chair of the combined NCR (NorthCentral Region) and Denver UASI (Urban Area Security Initiative) Communications Subcommittee, as well as the Vice Chair of the CO PSCS (Public Safety Communications Subcommittee). He has over 30 years of experience in radio systems and networking while serving in the United States Marine Corps from 1992-1997 and at Douglas County Sheriff's Office since 1997. He is currently the Douglas County Sheriff's Office Radio Systems Supervisor and lives in Parker, CO
