

Pat Smith

Northwest Regional Board Member

Pat has been engaged with the CCNC since 2007. Pat Smith was nominated as the 2022 APCO-NENA Radio Frequency Technologist of the Year

Pat began his career in Two Way radio in 1985 working for (MSS) Masterson Communications, of Ukiah California. Moving to Western Colorado in 1991 he began working for Motorola Inc. Rocky Mountain Service Centers, Glenwood Springs. In 1998 he moved to Tucson Arizona to begin work with (MSS) Canyon State Communications, ultimately Managing the same Tucson MSS facility for Creative Communications. In 2005 Pat returned to Garfield County Emergency Communications Authority to oversee their transition to DTRS. Pat has been the Technology Manager at Garfield County Emergency Communications Authority, from 2005 to the present day. Pat oversees all technical support and engineering needs for the 911 Call Center, including 8 remote radio sites within Garfield County.

Pat holds both NEBOR and PCIA FCC endorsed program certifications.
