

Jim White, ECCA

Jim White serves as the chairman of the Elbert County Communications Authority (ECCA) and board president of the Rattlesnake Fire District. He has over 60 years of experience in radio and communications and aerospace engineering ranging from communications intelligence in the NAVY, Apollo communications, to building small satellites at the Air Force Academy, and evaluating proposed satellite projects. Jim currently consults for the Air Force Research Labs and several universities in satellite design, ground station design, and orbital operations. As chairman of ECCA for over 20 years, Jim built a PSAP, outsourced dispatch, guided the migration of county emergency communications to the DTRS, and continues to improve the ECCA network for first responders. Jim is a member of the general board of CCNC, and of the executive committee.
