

# Radio 101 Training Coming Soon To You!

**The Office of Public Safety Communications will soon be bringing  
Radio 101 Training to your area!**

**The target audience for this training is all EM, law, fire, EMS, S&R and dispatch center  
staff.**

**Training topics will include:**

- the proper use and care of your radio and accessories
- radio etiquette - FCC rules
- operability and interoperability
- MAC usage and misuse
- Frequency bands
- Talk group dragging
- ...and more...

**Click on this link to schedule sign up for the training: [sign up sheet](#) Please enter  
your information on the appropriate region tab at the bottom of the spreadsheet.**

**Please reach out to Amanda Terwilliger at 720-948-0719 or [Amanda.terwilliger@state.co.us](mailto:Amanda.terwilliger@state.co.us) with any  
questions or to assist with scheduling.**
